

NOTICE TO BNA MEMBERS: **BNA COMMITTEE MEMBERSHIP**

Chief and Council would like to thank all members who signed up for our upcoming committees. We are very happy to see the overwhelming interest from members in participating in BNA's developments. Chief and Council carefully took family representation into consideration when choosing for these committees. For those of you who were not selected and for those yet to put your name forward, there may be some other Committees that will be required in the very near future for other BNA initiatives and ratifications. We will let you know of those opportunities when they arise.

After a thorough review, the following BNA members have been selected for seats on the Housing, Lands and CCP Committees:

Housing

1. Art Gladu
2. Carl Gibson
3. Leona Clarke

Lands

5. Audrey Gilbeau

Comprehensive Community Planning (CCP)
