

## Job Posting

### Sawyer's Helper

Papasay Value-Added Wood Products (PVAWP) is regularly accepting applications for "Sawyer's Helper" to work in our value-added Sawmill located at Bingwi Neyaashi Anishinaabek's reserve land, at Sand Point First Nation. Employees are responsible for their own transportation to and from the Sawmill, and are welcome to use the BNA bunks for accommodation.

#### **Duties and Responsibilities:**

- Remove slabs and boards that have been cut by the Sawyer
- Operate head saw and feed carriage to saw flitches into boards
- Operate board edger and feed carriage to saw flitches into boards
- Ensure all boards and round slabs are stacked and organized
- Responsible for maximizing lumber recovery
- Operate a fork lift and back hoe
- Assist with maintenance of equipment
- Sharpen and straighten blades as required
- Keep work station and sawmill clean and tidy
- Follow COVID safety protocols

The Sawyer's helper may be tasked to work outside of the Sawmill on BNA land as directed by the Sawmill Manager

#### **Interested Applicants should forward their resume with cover letter to:**
