Community Energy Champion Job Posting – 1 Full Time Temporary Position

Position Summary

BNA is currently accepting applications for the full-time temporary position of Community Energy Champion. The Community Energy Champion will be responsible for developing the Community Energy Plan, which includes completing all field work, community engagement and research required for the plan. Once the Community Energy Plan is complete, the CEC will monitor conservation activities, work with individual home owners on conservation and energy options, work with the Sawmill and other industries on-reserve for proper energy usage, and be involved with other BNA energy projects as required.

QUALIFICATIONS:

- An undergraduate degree in a relevant field (e.g. engineering, environment science/studies, business administration). Holding the title of Certified Energy Manager (CEM) is considered an asset, along with 2 - 5 years of relevant work experience.
- Knowledge of legislation, regulations, policies and procedures for the environmental/energy/construction sector.
- An understanding of BNA's economic, cultural and political environment.
- Well-developed ability to administer programs and initiatives.
- Skilled at working both independently and as part of a team.
- Excellent analytical and problem solving skills.
- Well-developed decision making skills
- Effective verbal, presentation, written and listening communications skills.
- Computer skills including the ability to create and manipulate spreadsheets and word documents at a highly proficient level.
- Effective stress management and time management skills.
- Must be able to complete work in the office, in the field and in the community.
- Ability to lift and carry supplies and materials from time to time.
- Able to complete field work which may be physically demanding and involve walking over uneven terrains for extended periods.
- They must be prepared to work in the rain, cold, snow and wind as required.

Wages will be negotiated commensurate with experience. The position is based at BNA's main office located in Thunder Bay with some out of town travel.

Deadline Date: March 29th, 2019
