

# EQUIPMENT OPERATOR AND TRUCK DRIVER POSITIONS

The positions within this posting are for the independent harvesting contractors who supply wood to Resolute Forest Products.

Available positions include:

- Feller-Buncher Operator
- Multi-Function Processor Operator
- Skidder Operator
- Slasher Operator
- Loader Operator
- Road Builders
- Log Truck Driver
- Chip Truck Driver

Contractors vary in location, including Thunder Bay, Kakabeka Falls, Atikokan, Ignace, Fort Frances, and Nestor Falls. Some of these contractors require workers to live in camps during the week, and some require daily commuting to the operation.

All contractors are committed to safe, environmentally compliant operations and offer competitive wages. Although trained operators are preferred, a candidate's relevant work experience with an interest and aptitude for this type of employment will be considered.

Please send an application form, as well as an updated copy of your resume to [jillian.labossiere@resolutefp.com](mailto:jillian.labossiere@resolutefp.com).
