

Greenstone Gold Mines L.P. is a 50/50 joint venture partnership between Centerra Gold Inc. and Premier Gold Mines Ltd. formed for the purpose of the joint ownership and development of the Greenstone Gold Property including the Hardrock Gold Project located on a historical mine site in the Geraldton-Beardmore Greenstone belt in Ontario. The Hardrock Project is managed directly by a dynamic and experienced Owner's team, with an estimated \$1.2 Billion investment over the four-year engineering, procurement and construction phase, with an estimated 15-year operating life.

PROJECT GEOLOGIST

Greenstone Gold Mines is seeking a Project Geologist to join our Exploration Team. Reporting to the Exploration Manager, the Project Geologist will assist with all exploration activities focused on discovery of additional economic gold deposits within the Beardmore-Geraldton area.

PRIMARY RESPONSIBILITIES MAY INCLUDE:

- Assist in the implementation and coordination of the exploration program
- Drill core logging and sampling
- Supervise exploration drill programs
- Conduct regional and property-scale mapping and sampling
- Lead field crews
- Compile exploration data and create maps
- Compile historic exploration data for regional target generation
- Capture historical exploration data within GIS, preferably Mapinfo

SKILLS AND COMPETENCIES

- Experience logging diamond drill core and supervising drill crews
- Demonstrated field exploration skills: mapping, prospecting and geochemical sampling
- Have a strong understanding of structural geology
- Strong skills in MS Office, Database (MS-SQL and Access), and GIS software applications (Mapinfo Discover 3D)
- Strong skills in GEMS and/or Leapfrog would be an asset
- Detail-oriented and able to work independently
- Excellent written and verbal communication skills, teamwork, problem solving, leadership and mentorship skills
- Knowledge of multi-discipline exploration techniques including geochemical and geophysical
- Strong commitment to safety

EXPERIENCE, QUALIFICATIONS & EDUCATION

- Experience working in orogenic gold systems
- Minimum B.Sc. Geology degree from an accredited institution; M.Sc. Geology preferred
- Minimum five to seven (5-7) years of work experience in Exploration
- P. Geo or eligible for registration as a professional geoscientist in the Province of Ontario

LOCATION

This position is based in Geraldton, Ontario. Schedule for this position will provide a good work/life balance for the successful candidate.

HOW TO APPLY

To apply, please visit www.greenstonegoldmines.com/careers or email a resume to hr@ggmines.com by September 13, 2019.

We thank all candidates for their applications, however, only those selected for an interview will be contacted.

Greenstone Gold Mines is committed to inclusiveness, equity and accessibility. We encourage all qualified candidates to apply. Accommodations are available on request for candidates taking part in all aspects of the selection process.
