

TC Energy Scholarship Program

The Program opens in March 2021 and accepts applications until May 14, 2021. We offer three different types of scholarships:

- scholarships for **Trades** students (40 scholarships worth \$2,500 each)
- scholarships for **STEM** focused students (40 scholarships worth \$5,000 each)
- **Indigenous Legacy Scholarships** (100 scholarships worth \$5000 each). The Indigenous Legacy Scholarship is meant for students from the communities where we do business and is open to students in any post-secondary program.

Students can apply at www.tcscholarships.com.

If an individual or group of students would like to learn more about the program, please have them contact Star Park at star_park@tcenergy.com. She is happy to share some tips and tricks on the application process.

Internship, Co-ops and Summer Student Roles:

Co-op & Internship Opportunities starting in May 2021. We would encourage students to **apply as soon as possible** as resumes are being shared with the hiring leaders as they come in.

[General Summer Student Posting](#)

[Business/Commerce Opportunities](#)

[Communications/Public Relations Opportunities](#)

[Bachelor of Science Opportunities](#)

[Supply Chain Management Opportunities](#)

[Bachelor of Science \(Computer Science/IT Opportunities\)](#)

[Engineering Opportunities](#)

Please let me know of any students who apply for the roles and we will share their name with our talent acquisition team.

Thank you in advance for sharing this information with your community.

Miigwetch,

Bob Graham

Regional Engagement Lead - Indigenous Relations

Eastern Region
