

# Noopiming Fur Kit

## Collection call

**The Noopiming (woods) fur kit will be an education and outreach tool accessible to all Nokiiwin member communities through the natural resources program. The kit will consist of a collection of furs representative of the species in the boreal forest. We are currently looking to purchase the following tanned furs to complete the kit. Sales opportunity will be open to Nokiiwin community members until May 22<sup>nd</sup>.**

**Please note: a sales receipt will be required for all pelts purchased by Nokiiwin at the time of sale.**

**If you wish to make a sale towards the kit, or for any further inquiries, please contact:**
