

Housing Updates!

CMHC Housing Phase 6

We are thrilled to share some exciting news with you! BNA has officially received approval from CMHC for our next phase of housing, set for 2025/2026. Phase 6 will include Lots 96, 97, and 98 on Grand Bay Road, and we couldn't be more excited to see our vibrant community continue to grow.

As a progressive and dynamic community, we are proud of the incredible talent and dedication our members bring. Together, we create a warm and inviting environment that truly embodies the spirit of Sand Point. This new housing phase is an opportunity for even more families to enjoy the sweet living that our community has to offer.

We invite all community members interested in becoming part of this journey to reach out! If you would like to apply for one of these homes or simply want to learn more about the process, please contact our housing coordinator, Paulette Facca, at pfacca@bnafn.ca.

Let's come together to build a bright future for Sand Point, filled with opportunities and connections. We can't wait to hear from you!

Warm regards,
